Flatirons Falcon News

08/31/2018

From the Principal's Desk:

Dear Flatirons Families,

As we finish up our second full week of school, I am happy to report that this has been one of the smoothest starts we have ever had. It is great to finally have kids back in the building! Our kindergarteners and new students have come in excited to be here, and it has brought a great, positive energy to the whole building. I invite you to come in and check out the learning that is going on.

Last night was Back to School Night. It was good to have everyone together to officially start the academic year. I hope that you were all able to get into the classrooms and hear from our teachers about the exciting year they have planned. If you weren't able to make it last night, please reach out to your child's teacher-- they will be happy to fill you in on what was presented. Building a positive relationship with your child's teacher is one of the most important ways you can impact your child's learning.

Following are some of the important upcoming all-school events:

Fall Festival

Sunday, October 7, 2018

1:00 pm - 3:30 pm
