

From the Principals Desk:

August 31, 2017

Dear Flatirons Families,

As we finish up our second full week of school I have to report that this has been one of the smoothest starts we have had. Our kindergarteners and new students have come in excited to be here and it has brought a great positive energy to the whole building. I also think sharing the eclipse together as a whole-school community on August 21st set the tone for the year. Students, teachers, staff and parents were all out together having lunch outside and sharing the unique experience together.

Last night was Back to School Night. It was great to have everyone in the building together to officially start the year. I hope that everyone was able to get into their children's classroom and hear from our teachers about the exciting year they have planned. I enjoyed seeing many of you again and meeting many of our new families. I know the students were excited about having parents and family members come in and hear about what they are doing at school.

Following are some all-school events coming up that I want to make sure everyone is aware of:

Fall Festival

Sunday, September 24, 2017

1:00 pm - 3:30 pm

Come join us for Games and Food! (Mr. B may get wet!!)

Student Picture Retakes/Class Pictures
