

From the Principal's Desk:

February 16, 2018

Dear Flatirons' Families:

Impact on Education has had a long history of honoring educators in the district. This year they have expanded this practice to include a representative from each school. I am happy to announce that our first honoree is Rhonda Simpson, who works in the front office as my Principal's Assistant. Rhonda is the first person you see when you come in the front door and greets everyone with a warm hello.

Rhonda is completing her twentieth year of service to the district this year. She has worked at the elementary level and the middle level and has spent the last twelve years at Flatirons. During her time at Flatirons Rhonda has recreated our Website into one of the best in the district and started our Facebook page a few years ago. Behind the scenes, Rhonda has improved the efficiency in the front office, and is always the one to think about how to thoughtfully support the staff.

When you are in the building, please take a moment to congratulate Rhonda on this accomplishment. There will be a district celebration for all the Impact Award winners on March 15, 2018. Thanks Rhonda for all you do!

Sincerely,

A handwritten signature in black ink, appearing to read "S. Boesel". The signature is fluid and cursive.

Scott Boesel, Principal

Congratulations Rhonda Simpson on being selected by your school to receive The Impact Award, given to members of your school community for demonstrating commitment, passion, and genuine dedication to the students you see every day! The primary criteria for nomination is demonstrating Impactful action: an ongoing commitment to professional and personal growth and has powerful, often life-changing, effects on students and/or the rest of the education community through unfaltering and purposeful effort. We're so excited and proud to celebrate YOU!
