

# From the Principal's Desk:

January 16, 2018

Dear Flatirons' Families:

It is great to be back in school with students and staff working hard together. The energy of starting 2018 fresh rubs off on everyone. This is my favorite time of year as all the work that students put in during the fall really pays off. This is the time when things “click” and students start to make connections and learn. There are some exciting things coming up I want to share with you.

- Spring Parent Teacher Conferences - February 13, 15 & 21: Conferences are an important time to connect with your child's classroom teacher to celebrate the learning that has taken place and plan for the final few months of school. We want to spend time with you and talk about your kids.
- Child Assault Prevention (CAP): CAP is a great program that PTO funds that we have invited to Flatirons for many years. It teaches students important strategies to get along with each other and deal with negative interactions with students and adults. We have a parent meeting scheduled for February 8th at 6:00 pm in the computer lab. This gives parents the opportunity to hear what is going to be discussed before the classroom sessions. CAP will be visiting each classroom from February 20th to the 23rd.
- Talent Show: Calling all performers and acts! One of the biggest events in the spring is our annual Talent Show. This year it will be the evening of March 1st. I am always amazed at the courage of our kids to get up and perform. Please see specifics in today's newsletter about tryouts and the dress rehearsal.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Boesel', written in a cursive style.

Scott Boesel, Principal
