Dear Flatirons' Families:

What a Party!! I hope you had a chance to come to our annual spring fundraising event, The Party. It was last Saturday evening, at the Avalon in Boulder, and it was a great success. A big thank you to the PTO and all the volunteers who worked many hours to pull it off. It was well attended by our staff and they enjoyed being a part of the festivities. This is another example of what makes Flatirons great, a supportive, involved parent community.

The funds raised at the Party support para-professionals, teacher professional development, the iLab, technology and special events like Fifth Grade Outdoor School. The funds raised by the PTO allow us to enhance the educational experience of each student. This supportive relationship between the PTO and the staff is one of the things that sets Flatirons Elementary apart from other schools.

I would like to thank you all for your dedicated and continued support and wish you a successful end of the school year and restful summer. We look forward to another exceptional and impactful school year in 2018-2019.

Sincerely,

Scott Boesel, Principal
