Happy New Year! I hope everyone had a chance to slow down a little bit and spend time with family the last two weeks. I know the school was a pretty lonely place. I am so glad to see kids back in the building. Their energy really makes a difference. This is one of my favorite times of the year because for many of our young students the beginning of the new calendar year is when things really start to click and the lights “turn on.”

As we start back after the holiday break I want to mention some changes that have happened and special events in the near future.

- Marina Vigil is our new Special Education teacher replacing Sally Wulffe, who retired in December. Marina spent many hours over the break getting her room ready and working with Danielle Zielbauer, our full-time Special Education teacher, learning about the individual students she will work with. Ms. Vigil will be working with our kindergarten through second grade students primarily and will be here in the mornings.
- The Spelling Bee, which was scheduled for December 15<sup>th</sup> (the district snow day), has been rescheduled for Tuesday, January 12<sup>th</sup> from 12:30 p.m. - 1:30 p.m. The location has changed to the library because of gymnastics equipment in the gym.
- The Flatirons Ice Skating Party is scheduled for Saturday, February 23<sup>rd</sup> from 1:50 p.m. to 3:50 p.m. at Boulder Valley Ice in Superior, CO. This is a great family event. I hope to see many of you there out on the ice!
- The second grade Weather concert, which was scheduled for the evening of December 15<sup>th</sup>, has been rescheduled for Wednesday, February 24<sup>th</sup> at 6:00 p.m. in the Gym.
