

Flatirons Kindergarten Session Request Form

We will offer two sessions of regular kindergarten next year – the morning session is from 8:15 to 11:05 a.m. and the afternoon session is from 11:55 to 2:50 p.m. We make every effort to meet student and parent needs in assigning sessions. However, it may be necessary to balance sessions due to the number of students registered and/or requesting a specific session, gender, special needs of students, transportation, etc.

We are asking for your preferences in developing the session assignments for next year. Check only one session but feel free to give us any additional information about your request that you think will help us make a decision.
